Carson City, NV 89706-7921

CARSON CITY herewith submits the (TENTATIVE) --- (FINAL) budget for the
fiscal year ending June 30, 2011

This budget contains 5 funds, including Debt Service, requiring property tax revenues totaling \$ 20,020,783

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits,
the tax rate will be increased by an amount not to exceed 1% if the final computation requires, the tax rate will be
lowered.

This budget contains 25 governmental fund types with estimated expenditures of \$ 78,196,201 and
10 proprietary funds with estimated expenses of \$ 39,293,841

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local
Government Budget and Finance Act).

CERTIFICATION

APPROVED BY THE GOVERNING BOARD

# CARSON CITY, NEVADA

CONSOLIDATED MUNICIPALITY AND STATE CAPITAL

April 13, 2010

Dear Citizens, Mayor, and Board Members:

The budget includes 25 governmental funds with estimated expenditures of \$78.2 million and 10 proprietary funds with expenditures of \$39.3 million.

## General Fund Revenues

Total general fund revenues are expected to increase 3.15% from estimated fiscal 2010. Property tax revenue is expected to increase 10.9%, licenses and permits .6%, and intergovernmental revenues .6%. A law limiting the growth of property tax bills was passed by the 2005 Legislature; generally tax bills for homeowners may not increase by more than 3%, while tax bills for business may increase up to 8%. The effect of the property tax cap to the general fund was \$11.9 million in fiscal 2010 and is estimated to be \$8.3 million in fiscal 2011. The property tax amounts are expected to increase above the caps (10.9% total) in FY 2011 due to the Carson City School District lowering their debt rate which will shift the dollars that would have been collected to Carson City. Consolidated tax revenue is the largest single source of general fund revenue comprising 31% of total estimated revenue or \$17 million in fiscal 2011. Because our fiscal 2010 estimate of consolidated taxes is down 37% (\$9.8 million) from its peak in fiscal 2006, we are anticipating the numbers to level out in fiscal 2011 and is the reason we are leaving the budgeted consolidated taxes number flat in fiscal 2011. General fund per capita revenues are expected to be \$971 in fiscal 2011.

## General Fund Expenditures

Total general fund expenditures are projected to decrease 16% from estimated fiscal 2010. Total general fund expenditures are projected to be \$53.5 million in fiscal 2011. Salaries and benefits comprise 77.4% of total general fund expenses; services, supplies and capital make up the remaining 22.6%. Estimated expenditures by function are (amounts expressed in thousands):

General Government	\$ 13,131
Judicial	4,474
Public Safety	24,749
Public Works	2,078
Sanitation	1,614
Health	1,563
Welfare	358
Culture and Recreation	5,094
Community Support	458
	\$ 53,519

### Capital Projects and Reserves

The City through conservative budgeting and fiscal practices had accumulated resources over the last several years to help fund revenue shortfalls, primarily in consolidated taxes. The City has had a policy to retain 8.3% current year expenditures as an operating reserve in the general fund but because of the current economic conditions, the Board has lowered this amount to 5% for FY 2011. Because of the economy, general government capital projects have been put on hold as we are not appropriating any new money for capital expenditures in fiscal 2011.

### Enterprise Funds

We are including two rate increases for the enterprise funds in fiscal 2010-11.

The Sewer utility is including a 14% increase in rates effective July 1, 2010. The increase in rates is necessary to offset rising operating costs (1%) and to fund debt service for capital projects including North Lift Station upgrades at the Wastewater Reclamation Plant, installing a sewer line in Roop Street, and for equipment (pumps and motors) at the Plant.

The Water utility is including a rate increase of 30% starting July 1, 2010. The increase in rates is necessary to offset rising operating costs (2%) and to fund a regional water system. The regional project will result in the interconnection of the Minden water system, the North Douglas County water system, the Indian Hills General Improvement water system, the Carson City water system and the Lyon County (Dayton) water system. The project will allow the city to forgo having to construct a Uranium Treatment Plant because the new water brought into the system will be able to blend with the uranium water to meet federal standards and allow Carson City to avoid approximately \$40 million in construction costs.

We are continually studying development services rates and stormwater utility rates and we anticipate minor increases in future years.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lawrence Werner', written over a horizontal line.

Lawrence Werner  
City Manager
